

RACING FOR A CURE

Photo Courtesy of Jessica Storm

Jessica Storm competes in the Potomac River Run marathon in Alexandria May 6. Storm, a Reston resident and personal fitness trainer and owner of Storm Fitness, LLC, placed first in the race for the females. She had a time of 3 hours and eight minutes. She placed third overall. Storm ran the marathon in memory of Mary Jo Morrison, who was the mother of her friend Deb Loffredo. Morrison died from a non-smoking related lung cancer in August 2006. Together Storm and Loffredo raised more than \$6,000 for the Joan's Legacy foundation, which is the first nonprofit in the United States to identify and cultivate lung cancer research with a special focus on non-smoking related lung cancer.
